Mikhail Nedoshivin

email: *mishiv96@gmail.com*
web: *mnedoshivin.info*

Experience

since 2019 **Senior Data Analyst (since 2024, earlier Data Analyst)**, *Azbuka Vkusa (grocery retail chain)*
Demand forecasting, inventory analytics, on-shelf availability detection.

Teaching

since 2021 **Senior Lecturer (since 2023, earlier Assistant Lecturer)**, *Moscow Institute of Physics and Technology (MIPT)*
Probability, statistics, stochastic processes; measure theory, functional and complex analysis; calculus, linear algebra; discrete mathematics, computability, approximation algorithms.

since 2026 **Coordinator of Online Textbooks**, *MIPT*

since 2025 **Senior Lecturer, Course Author and Editor**, *Central University, Moscow*
Probability theory, mathematical statistics.

2020–2023 **Lecturer**, *Lomonosov Moscow State University, Faculty of Biology*
Practical classes in mathematical statistics.

2015–2017 **Mathematics Circle Instructor**, *European Gymnasium, Moscow*

Education

2013–2019 **Specialist degree in Mathematics**, *Lomonosov Moscow State University*, Faculty of Mechanics and Mathematics, Department of Probability Theory

2019–2023 **Postgraduate studies**, *Lomonosov Moscow State University*, Faculty of Mechanics and Mathematics, Department of Probability Theory

2020–2021 **Ozon Masters**, *data science programme*

Publication

2022 Gushchin A. A., Nedoshivin M. A. *On Perkins' construction in the Skorokhod embedding problem.* ICSM-7 conference talk; abstract in *Theory Probab. Appl.* 67(4), 2023, 662–663. DOI

Technical Skills

T-SQL (SQL Server), Python, JavaScript (D3.js, Plotly.js, Canvas), LaTeX, Quarto, Next.js/React, Docker

Languages

Russian — native, English — B2.
